Relay Plus and European Assistance, which are provided by Acromas Insurance Company Limited (AICL), is covered by the FSCS.

If you have purchased Relay Plus and European Assistance, you may be entitled to compensation from the scheme if AICL cannot meet its obligations in relation to that cover. This depends on the type of business and the circumstances of the claim. General insurance provided by a regulated insurer such as AICL is covered for 90% of the claim, without any upper limit. Further information about the compensation scheme arrangements is available from the FSCS at www.fscs.org.uk or telephone 0800 678 1100 or 0207 741 4100.

Please note that Roadside, Relay and Home Start are provided by Automobile Association Developments Limited (trading as AA Breakdown Services) and this company does not fall within FSCS.

UK Breakdown Assistance Services

The Breakdown Assistance Services provided by Automobile Association Developments Limited (trading as AA Breakdown Services) (the "AA"), as detailed in this part of the booklet, are only available in relation to an Eligible Vehicle when travelling in the United Kingdom and where the relevant breakdown occurs in the UK (excluding the Channel Islands and the Isle of Man).

Assistance is not available in relation to events occurring prior to commencement of the relevant cover.

Roadside Assistance

Provided by Automobile Association Developments Limited (trading as AA Breakdown Services).

What is covered:

- Roadside Assistance is available if the Eligible Vehicle is stranded on the highway more than a quarter of a mile from the Authorised Driver's home address following a breakdown of the Eligible Vehicle. The AA will seek to effect a roadside repair if, in the reasonable opinion of the patrol or appointed Agent, this can be achieved within a reasonable time.
- If a patrol or appointed Agent cannot fix the Eligible Vehicle within a reasonable time, it will be taken to the nearest Suzuki Authorised Repairer or, alternatively, to a local destination of the Authorised Driver's choice, provided it is no further.

It is then the Authorised Driver's responsibility to instruct the repairer to make any repairs required. Any contract for repair will be between the Authorised Driver and the repairer, and it is the Authorised Driver's responsibility to pay them. The AA does not guarantee that any recovery to an appropriate Suzuki Authorised Repairer will be within the opening hours of the repairer or that the repairer will be immediately available to undertake any required repair. The AA does not provide any assurance or warranty with respect to any work carried out at Your request by any third party repairer.

Once the Eligible Vehicle is moved or a temporary repair carried out in situ, the cost of any subsequent repairs is not covered by Suzuki Assistance. Please check the vehicle warranty for details of repairs covered under the warranty.

What is not covered:

- Roadside Assistance does not cover any additional transport or other costs that the Authorised Driver might incur, whether as a result of the Eligible Vehicle being towed or otherwise. The AA cannot accept any costs for passengers who do not accompany the Eligible Vehicle while it is being recovered.
- Assistance following a breakdown or accident attended by the police, the Highways Agency or other emergency service, until the services concerned have authorised the Eligible Vehicle's removal. If the police or emergency service concerned insist on immediate recovery by a third party, the cost of this must be met by the Authorised Driver.
- A second or subsequent recovery after the Eligible Vehicle has been recovered.
- Matters excluded under General Terms of Suzuki Assistance.

Home Start

Provided by Automobile Association Developments Limited (trading as AA Breakdown Services).

What is covered:

- Home Start provides assistance when the Eligible Vehicle is immobilised following a breakdown at or within ¼ mile of the Authorised Driver's home address.
- If a prompt local repair is not possible. The AA, subject to the terms and conditions relating to such service, provide recovery to the nearest authorised Suzuki Authorised Repairer or other location of the Authorised Driver's choice, whichever is the nearer. It is then the Authorised Driver's responsibility to instruct the repairer to make any repairs required. Any contract for repair will be between the Authorised Driver and the repairer, and it is the Authorised Driver's responsibility to pay them. The AA does not guarantee that any recovery to an appropriate local Suzuki Authorised Repairer will be within the opening hours of the repairer or that the repairer will be immediately available to undertake any required repair. The AA does not provide any assurance or warranty with respect to any work carried out at Your request by any third party repairer.

What is not covered

- The recovery of an Eligible Vehicle within a quarter of a mile of the Authorised Driver's home address.
- Matters excluded under the General Terms of Suzuki Assistance.

Relay

Provided by Automobile Association Developments Limited (trading as AA Breakdown Services).

What is covered:

- Relay is available following an incident involving an Eligible Vehicle and the AA cannot arrange a local repair within a reasonable time.
- Relay provides the recovery of an immobilised Eligible Vehicle (including trailer/caravan on tow at the time, provided it is within the size limits) to the nearest Suzuki Authorised Repairer or if further than ¼ mile from the Authorised Driver's home, to any other single destination in the UK. Assistance will be provided for the number of people up to the legal seating capacity of the Eligible Vehicle to a maximum of eight (including the driver)

provided that such people were travelling in the Eligible Vehicle at the time of the breakdown. If there are more people than the maximum allowed, the AA will seek to arrange, but will not pay for, their onward transportation.

- A caravan or trailer which is capable of being towed safely will be towed, provided it does not exceed a maximum length of 8m (26ft). The AA will seek to arrange, but will not pay for, recovery of any Eligible Vehicle, caravan or trailer that exceeds any of these limits.

Please note

After the Eligible Vehicle has been recovered, any subsequent repairs will be at the Authorised Driver's cost. It is also the responsibility of the Authorised Driver to arrange and pay for the Eligible Vehicle's collection, should that be necessary.

What is not covered:

- Relay will not be provided if we are able to arrange a prompt local repair within a reasonable time.
- A second or subsequent Relay, after the Eligible Vehicle has been recovered following a breakdown.
- The transport of immobilised vehicles where we consider this to be part of a commercial activity, for example, to, from or for motor dealers or delivery companies.
- The transport of vehicles being used for racing, rallying, trials or time trials, auto tests or other motor sports events.
- The recovery of any vehicle that the AA considers would be dangerous or illegal for us to load or transport (including, but not limited to, over-laden vehicles).
- Assistance following a breakdown or accident attended by the police or other emergency service, until the services concerned have authorised the vehicle's removal. If the police or emergency service concerned insist on immediate recovery by a third party, the cost of this must be met by you.
- Any costs for passengers who do not accompany the Eligible Vehicle while it is being recovered under Relay.
- The recovery of any vehicles bearing trade plates and/or which we have reason to believe have just been imported or purchased at auction.
- The recovery of horses or livestock.
- Ferry costs.
- Matters excluded under General Terms of Suzuki Assistance.

Relay Plus

Underwritten by Acromas Insurance Company Limited.

In the event of a road traffic accident or service from Home Start situations, Relay Plus will not be available.

This service may be provided as an extension to Relay, following an immobilising breakdown of an Eligible Vehicle more than a quarter of a mile from the Authorised Driver's home address, to provide Relay Plus arrangements. In the event that we authorise the provision of Relay Plus you may choose one of the following options:

- A) Temporary Loan Vehicle; or
- B) Overnight Accommodation; or
- C) Public Transport Costs.

Relay Plus is not available following an accident.

A) TEMPORARY LOAN VEHICLE

What is covered

- The AA will (subject to the conditions noted below) arrange a temporary loan vehicle for up to 48 hours. The benefit entitlement is a replacement vehicle up to a 1600cc saloon.
- The AA will (subject to any responsibility the Authorised Driver may have) pay the chosen vehicle supplier's hire charges, including comprehensive insurance premium, collision damage waiver and VAT (but excluding any insurance excess which may become payable), for a maximum of 48 hours, starting from the time when the vehicle is issued (which must be within 48 hours of the immobilising incident).
- The Authorised Driver is responsible for all other charges arising from the use of the hire vehicle (including, but not restricted to, fuel costs and any insurance excess charges) - for example, if the Authorised Driver keeps the vehicle for over the 48 - hour period - this must be agreed in advance with the vehicle supplier.
- The Authorised Driver must pay any additional charges direct to the vehicle supplier.
- Temporary loan vehicles are supplied by the AA's chosen suppliers. The vehicle hire agreement will be between You and the relevant supplier and will be subject to the terms and conditions of the vehicle supplier who, amongst other things:
 - i) will require a full, valid UK driving licence at the time of issue of the vehicle;
 - ii) may impose limitations on the availability and engine capacity of the replacement vehicle - for example, in relation to the age of the driver, certain licence endorsements etc;
 - iii) may require a cash or credit card deposit, including a fuel deposit;
 - iv) may require additional means of identification;
 - v) will require the driver to be aged at least 18 and must have held a full UK driving licence for at least 12 months.
- Failure to comply with the vehicle supplier's terms and conditions or to return the vehicle to the supplier by the due date may result in action being taken against the Authorised Driver.
- While not obliged to do so, in appropriate circumstances (for example, where a replacement van is required), the AA will seek to arrange a suitable replacement vehicle for you, of up to 1600cc engine capacity. If this is not feasible, the Authorised Driver may have the option of the normal replacement car or one of the other two benefits under Relay Plus.
- Where any vehicle supplied under the terms of Relay Plus cannot accommodate the eligible number of people (please refer to Relay section for limits), the AA will seek to arrange a further vehicle and/or for the onward transport of any additional passengers.
- Replacement vehicles cannot be supplied with a tow bar, and therefore any caravan or trailer will, if eligible, be recovered under Relay with the immobilised Eligible Vehicle.
- Should the replacement vehicle not be needed immediately, Relay Plus may be requested any time up to 48 hours after the relevant breakdown (collecting the hire car will be the Authorised Driver's responsibility). Please note that this does not guarantee the availability of, or access to, a replacement vehicle, the issue of which remains subject to the terms and conditions of the vehicle supplier.
- Should the Authorised Driver not, as a result of supplier terms or otherwise, be able to take advantage of this benefit, then the Authorised Driver may instead choose one of the other two benefits. Please note: this benefit is not, under any of our

suppliers' terms, available to drivers under 18, or to drivers who have held a full UK driving licence for less than twelve months. This does not, however, mean that a driver who is outside of these categories will necessarily be able to obtain a hire vehicle since the situation may change or different age restrictions may apply under the terms and conditions of available vehicle suppliers. The examples of exclusions given are not an exhaustive list.

OR

B) EMERGENCY OVERNIGHT ACCOMMODATION

What is covered

- The AA will arrange for one night's bed and breakfast accommodation for no more people than the legal seating capacity of the Eligible Vehicle up to a maximum of eight people (including the driver) (or to a limit of £100 per person to a maximum of £300 in total).
- The AA will not pay for any additional costs incurred by the Authorised Driver or passengers such as meals (other than breakfast), drinks, telephone calls and newspapers. These costs must be settled with the hotel before leaving.

OR

C) PUBLIC TRANSPORT COSTS

What is covered

The AA will cover reasonable public transport costs for the Authorised Driver and up to seven passengers. The Authorised Driver can claim Recovery Plus costs to a limit of £100 per person to a maximum of £300 in total.

- a) Any passengers must have been travelling with the Authorised Driver at the time of the relevant breakdown.
- b) The Authorised Driver must obtain proofs of purchase or receipts for all travel expenses.
- c) Any claim for reimbursement should be made in writing to Claims, Agency Accounts, Fanum House, Basingstoke, Hampshire, RG21 4EA.
- d) All relevant proofs of purchase and receipts must accompany the claim.
- e) Any claim for transport costs must be submitted to the AA within 28 days of the relevant breakdown and will be subject to the limit stated above.

Suzuki European Assistance

Underwritten by Acromas Insurance Company Limited.

Important Notes

If the Authorised Driver cannot provide valid details of the Eligible Vehicle under Suzuki European Assistance, the AA reserves the right to refuse to arrange service and cover will not apply.

It is important that the AA is contacted if assistance is required under Suzuki European Assistance and the Authorised Driver follows the procedures notified by the AA. If a garage is contacted direct, the Authorised Driver will have to settle their bill and the AA will be under no obligation to reimburse the Authorised Driver.

Credit card - Credit card must be available if the emergency car hire benefit is used; the car hire company requires a "swipe" of the card as security. Debit cards are not accepted for this purpose.

Driving licence - Driving licence must be available if the emergency car hire benefit is used; the car hire company will expect to see original driving licence.

Important Limitations of Service

There are differences between the service the AA will provide within the UK and the service provided by Suzuki Assistance European Breakdown Cover. These include:

1. Suzuki European Assistance will usually be provided through a garage or, if in countries where a sister motoring organisation operates, a local patrol may assist.
2. European garage mechanics and patrols are unlikely to speak English.
3. National holidays and working hours vary throughout Europe. This will impact on the service provided to the Authorised Driver, especially during busy periods.
4. Third party service providers including garages, repairers, recovery operators, car hire companies etc are not approved by the AA and do not act as agents of the AA. The AA cannot be held liable for any acts or omissions of any such garages or other third parties.
5. Any goods being carried remain the Authorised Driver's responsibility.
6. Eligible Vehicles which are recovered will usually be brought back unaccompanied.
7. Vehicle recovery from Western Europe will take on average 8-14 working days. At busy periods and from further destinations, recovery may take longer.

Geographical limits

Suzuki European Assistance applies within the following geographical limits within which the Eligible Vehicle and the Authorised Driver must stay together. Assistance will not be provided outside of these geographical limits. Cover applies within the following limits (the "Geographical Limits"):

United Kingdom, Isle of Man, Channel Islands, Republic of Ireland, all islands of the Mediterranean (excluding Northern Cyprus) and the following countries of mainland Europe: Andorra, Austria, Belgium, Bosnia Herzegovina, Bulgaria, Croatia, Czech Republic, Denmark, Finland, France, Germany, Gibraltar, Greece, Hungary, Italy, Liechtenstein, Luxembourg, Monaco, Netherlands, Norway, Poland, Portugal, Romania, San Marino, Slovakia, Slovenia, Spain, Sweden and Switzerland. Cover does not apply to territories beyond mainland Europe.

Cover within the UK applies only to a direct journey to and from the seaport or Eurotunnel terminal and can only be used for journeys where the Eligible Vehicle is being taken overseas by waterborne craft or Eurotunnel and not for crossing estuaries and non-tidal waterways apart from crossing from Northern to Southern Ireland. The AA reserves the right to amend the geographical limits of cover in the event of war, civil disturbance, riot or radioactive contamination.

All vehicles must be built to manufacturer's specifications, hold a current MOT Certificate (where required), hold appropriate insurance for travelling overseas, be in a roadworthy condition at the start of the Trip and used for private purposes or business use only.

The AA will not cover personal effects/goods/vehicles/boats or other waterborne craft on or in the Eligible Vehicle or trailer nor consider any consequential loss. These remain the Authorised Driver's responsibility at all times.

If the Eligible Vehicle is stranded on the highway as a result of breakdown, Suzuki European Assistance will arrange, within the Geographical Limits, subject to all relevant terms, conditions and exclusions contained in these terms and conditions, for the arrangement of emergency roadside assistance and, where appropriate, vehicle recovery to the UK, emergency alternative travel or emergency accommodation assistance for the Authorised Driver and the Authorised Driver's Party. THE OVERALL CLAIM LIMIT FOR SUZUKI ASSISTANCE EUROPEAN BREAKDOWN COVER IS £2,000 PER PARTY, PER TRIP, EXCLUDING UNACCOMPANIED VEHICLE RECOVERY BENEFIT, please refer to section 4, Vehicle recovery to the UK.

Section 1

Roadside assistance and emergency repair

What is covered

The AA will arrange emergency help for the Authorised Driver and cover costs within the following limits for roadside assistance, roadside repairs and towage up to £150 overall maximum. This includes up to £100 for labour within the total amount.

Note

All costs met under this Section form part of the relevant overall claim limit.

What is not covered

1. The cost of any replacement part, tyres, body glass, fuel, lubricants or other fluids, keys or other materials.
2. Any costs for labour are not incurred at the roadside.
3. Any costs for a locksmith, body glass, tyre or other specialist. If the AA considers that their services are needed, the AA will seek to arrange this on the Authorised Driver's behalf, but will not pay for the cost of the call out nor any repair.
4. Any further assistance for the incident.
5. Routine maintenance and non-emergency repairs such as radios, CD players, satellite navigation, air conditioning or climate control faults. Any costs resulting from failure to maintain or service the vehicle in accordance with manufacturer guidelines.
6. Any non-essential repairs, damage to paintwork or other cosmetic repairs, or air conditioning or climate control faults, which do not affect the mobility or security of the Eligible Vehicle nor render it unsafe to drive.
7. Any costs incurred because the Eligible Vehicle / Authorised Driver is not carrying a spare set of vehicle keys, a legal and serviceable spare wheel(s) and tyre(s) or an "instant mobility system" where this is supplied with the Eligible Vehicle.
8. Any costs covered under the Eligible Vehicle's warranty.
9. The cover is not available to vehicles, which are overloaded or used in rallying, off-road driving or in the Nürburgring or for motorsports. It may not be used in place of regular servicing.
10. Any additional costs incurred for pets or animals.
11. Any matter excluded under the General Terms and Conditions, for example, but without limitation, any emergency assistance required following breakdown where the need for such assistance arises in the circumstances specified in clause 4 of Suzuki European Assistance General Terms and Conditions.

Notes

- a. The AA will only seek to arrange a guarantee of costs within the limits of Suzuki European Assistance and the Authorised Driver will if required have to pay the repairing garage for all costs for labour or parts.
- b. If the Authorised Driver is not the owner of the Eligible Vehicle, the Authorised Driver must check with the owner before authorising any repairs.
- c. If the Eligible Vehicle has left the highway and the Authorised Driver asks for assistance when it is in a ditch, or standing on soft ground, sand or shingle, or stuck in water or snow, any recovery to a place of safety the AA arranges will be at the Authorised Driver's cost.
- d. The AA reserves the right to refuse to provide or arrange breakdown assistance services if the Authorised Driver is not present at the scene of the Breakdown.

- e. If the AA cannot arrange for a garage to accept our guarantee of costs, the AA will ask the Authorised Driver to pay for any repairs undertaken at the time and reclaim insured costs when the Authorised Driver returns Home.
- f. The AA cannot guarantee that any tow to a local repairer will be within opening hours or that the repairer will be available to undertake any necessary repair immediately.
- g. Please note the Limitations of Service regarding the nature of our relationship with the third party service providers such as garages, repairers and recovery agents.
- h. If the Authorised Driver insists on authorising lengthy or expensive repairs contrary to our advice, the AA reserves the right to refuse any further service.
- i. Recovery from French motorways cannot be arranged by the AA, as these roads are privately owned. In the event that assistance is required, the Authorised Driver must contact the dedicated motorway services and telephone Suzuki European Assistance for further help once towed off the motorway/service area.
- j. Repair costs can vary from those in the UK and may be more expensive.
- k. Before paying the bill and taking the Eligible Vehicle away from the garage, the Authorised Driver should check the work carefully to make sure it is satisfactory and report any problem to the AA immediately while the Authorised Driver is still overseas, as it may be very difficult for the Authorised Driver to have a faulty repair corrected or to get any redress after the bill has been paid and the Authorised Driver has returned Home.
- l. If the garage cannot complete the repairs within 24 hours or until after the date on which the Authorised Driver planned to return Home, the Authorised Driver must contact the AA to discuss the Authorised Driver's options.
- m. The Authorised Driver should notify the Eligible Vehicle's insurer or warranty company of any claim under this section where it is possible that costs may be recoverable either fully or in part from them.
- n. Any contract for repair will be between the Authorised Driver and the repairer.
- o. Any advice regarding the cost of repairs provided by the AA helpline will be indicative only and it will be the Authorised Driver's responsibility to ensure that he or she has received and understood the quotation given by the repairer before agreeing for any work to be carried out.

Section 2

Emergency car hire and alternative travel arrangements

If the repairer estimates that the repairs to the Eligible Vehicle will take more than eight hours, the AA will cover the Authorised Driver's reasonable and necessary costs for alternative travel as set out below.

What is covered

Reasonable and necessary additional expenses from a. or a combination of:

- a. Contribution towards car hire costs for a maximum of 3 days;
- b. Air fares (economy);
- c. Rail fares (first class for a maximum of 8 people, including the Authorised Driver);
- d. Local taxi fares;
- e. Any other transport equivalent to 2nd class rail fares

Overall limit for expenses at a–e is up to £750 per Authorised Driver's Party, per Trip. Please note: the AA will include any costs the AA agrees under this benefit in the overall claim limit.

What is not covered

1. Any additional charges arising from the Authorised Driver's use of the hire vehicle such as fuel costs, any insurance excess charges, if the Authorised Driver keeps the vehicle longer than the period of hire agreed with the AA or do not follow its or the hirer's instructions to return the vehicle. The Authorised Driver must pay these costs direct to the hirer.
2. Any costs incurred following the Authorised Driver's return to their Home in the UK.
3. Anything mentioned as not covered under Section 1 Roadside Assistance and Emergency Repair.
4. Any additional costs incurred for your pet or pets.
5. Any costs incurred if the Authorised Driver leaves the car at a different location to that agreed with the AA or the hire company.
6. In connection with any contribution made by us under paragraph a. above, any contribution towards the cost of motor insurance cover for an alternative hire vehicle which is over and above the relevant minimum legally required cover for the territory or territories concerned. We strongly recommend you consider purchasing (at your own expense) additional insurance and, for example, without restriction, purchase Collision Damage Waiver, if offered by the hirer.
7. Any matter excluded from cover under the Suzuki European Assistance Terms and Conditions, for example, but without limitation, any emergency assistance required following breakdown where the need for such assistance arises in the circumstances specified in clause 4 of the Suzuki European Assistance General Terms and Conditions.

Notes

- a. If the Eligible Vehicle is an MPV or similar vehicle, the AA may have to arrange two hire cars. Otherwise the AA will make alternative travel arrangements.
- b. In parts of Europe, hire cars are not permitted to cross national frontiers and it may be necessary to change hire cars at national borders. If the Authorised Driver does not follow our, or the hirer's instructions, the Authorised Driver must pay any additional costs they incur.

- c. For car hire or other alternative travel costs, wherever possible the AA will arrange and pay costs within the above overall limit. If the hirer will not accept our guarantee, the AA will ask the Authorised Driver to pay and make a claim for these costs on their insurance.
- d. If the Eligible Vehicle is specially adapted it is unlikely that the AA will be able to locate a similarly adapted vehicle overseas. The AA will seek with the Authorised Driver to find a suitable alternative method of travel, within the benefit limit.
- e. The AA cannot guarantee car hire availability or equivalent replacement for the Eligible Vehicle. Multi purpose vehicles, four wheel drive vehicles, minibuses, vans, motorcycles and vehicles with automatic transmission in particular are difficult to hire.
- f. The AA cannot guarantee replacement vehicles can be supplied with a tow bar, and therefore the Authorised Driver's caravan or trailer may be recovered with the immobilised Eligible Vehicle.
- g. The AA cannot arrange a replacement mobile caravan or trailer nor can the AA arrange for replacement roof boxes. Personal effects/goods/vehicles/boats or other waterborne craft carried in or on the Eligible Vehicle, caravan or trailer remain the Authorised Driver's responsibility at all times.
- i. Unless the AA agrees otherwise with the Authorised Driver, the AA will only cover hire car costs where the AA has arranged the hire. The AA cannot guarantee that hire cars will be available in all circumstances. Hire cars are supplied by the AA's chosen suppliers. The vehicle hire agreement will be between the Authorised Driver and the relevant supplier and will be subject to the terms and conditions of the vehicle supplier. The Authorised Driver must be able to comply with the hirer's terms and conditions, which will include:
 - production of a full driving licence including any endorsements, valid at the time of issue of the hire vehicle (some companies may require additional information). If the Authorised Driver has a photocard style licence, they must carry the paper counterpart (D740) as well;
 - production of a credit card (see also the note above concerning acceptance of credit cards);
 - drivers must be within the hirer's minimum/maximum ages for the hire and comply with legislation in the country concerned and must have held a full driving licence for 12 months or more.
- j. Car hire companies' terms may change and do vary. The requirements listed above are not exhaustive and compliance with them does not guarantee availability of a hire car. If the Authorised Driver does not comply with the hire company's terms or fails to return the vehicle to them as agreed, the hire company may take action against the Authorised Driver.
- k. If the AA have arranged car hire for the Authorised Drivers journey home, a vehicle hired abroad cannot be used for any part of the journey in the UK. A second UK registered vehicle will be arranged for this part of the hire.

Please pay careful attention to the Important Limitations of Service regarding the nature of our relationship with the third party service providers.

Section 3

Emergency accommodation

If the repairer estimates that repairs to the Eligible Vehicle will take more than eight hours, the AA will cover the Authorised Driver's reasonable and necessary costs for additional emergency accommodation as set out below.

What is covered

Reasonable, necessary additional costs over and above those the Authorised Driver has budgeted for one night's overnight accommodation up to £65 per person, per night in a 3 star hotel.

Note

All costs met under this section form part of the overall claim limit.

What is not covered

1. Meals, drinks, telephone calls and newspapers or any other costs incurred by the Authorised Driver or the Authorised Driver's Party. The Authorised Driver must settle these direct with the hotel before leaving.
2. Costs which the Authorised Driver would have paid, had no problem with the Eligible Vehicle occurred.
3. Costs where the need for accommodation arises from the transport of any animal.
4. Anything mentioned as not covered under Section 1, Roadside Assistance and Emergency Repair.
5. Any matter excluded from cover under the Suzuki European Assistance General Terms and Conditions, for example, but without limitation, any emergency assistance required following Breakdown where the need for such assistance arises in the circumstances specified in clause 4 of the Suzuki European Assistance General Terms and Conditions.

Note

The AA will arrange and pay costs wherever possible. Where the AA's guarantee is not accepted, the Authorised Driver should pay and make a claim for these costs on the Authorised Driver's return Home.

Section 4

Vehicle recovery to the UK

If repairs cannot be completed in time for the Authorised Driver's planned return home.

What is covered

1. The cost of unaccompanied recovery for the Eligible Vehicle to the Authorised Driver's home, or nominated vehicle repairer in the UK, up to the current market value of the Eligible Vehicle.
2. The AA will also cover any reasonable storage charges up to £100 incurred in the recovery. The AA may, at its discretion and depending on circumstances, arrange and agree with the Authorised Driver an alternative method of recovery and cover reasonable costs, as follows:
 - a. If repairs are started but not completed before the Authorised Driver's planned return Home, the AA will arrange with the Authorised Driver and pay for one person's reasonable travel and accommodation costs up to £600 to go directly overseas to collect the Eligible Vehicle.

- b. If the treating doctor overseas certifies in writing that the only driver in the Authorised Driver's Party is unfit to drive, the AA will arrange and pay costs up to £600 for a replacement driver (but excluding the cost of petrol and tolls) to bring the Eligible Vehicle Home with those members of the Authorised Driver's Party who are fit to return and for whom there are enough seats, taking into account that used by the replacement driver.

Note

All costs met under this section (but excluding the cost of unaccompanied vehicle recovery) form part of the overall claim limit.

What is not covered

1. Recovery of the Eligible Vehicle if the AA calculates it to be beyond commercial economic repair. The AA will never pay more than the value of the vehicle to bring it home. If the AA advises the Authorised Driver that the Eligible Vehicle is beyond commercial economic repair the AA will give the Authorised Driver up to 8 weeks after the original incident to agree suitable alternative arrangements for the recovery or disposal of the Eligible Vehicle. If the AA has no agreement after 8 weeks, the AA will consider the Authorised Driver has authorised it to dispose of the Eligible Vehicle.
2. Recovery where the Eligible Vehicle only needs minor or inexpensive repairs. The AA may agree vehicle collection with the Authorised Driver in these circumstances if repairs cannot be completed by their return date.
3. If the Authorised Driver chooses to have the Eligible Vehicle recovered to the original destination there will be no further entitlement to recovery for the rest of that Trip.
4. Recovery where the local garage can complete repairs before the Authorised Driver's return date.
5. Recovery costs or medical repatriation costs for a vehicle if nobody in the Authorised Drivers Party is fit to drive.
6. Repatriation costs if nobody in the Authorised Drivers Party is fit to drive.
7. Any losses resulting from delay in recovering the Eligible Vehicle.
8. The cost of additional transit risk insurance. The Authorised Driver should contact The Eligible Vehicle's motor vehicle insurers to ensure the Authorised Driver has any additional cover required.
9. The replacement cost of the Eligible Vehicle or any salvage money if the Eligible Vehicle is beyond commercial economic repair.
10. Transportation costs for a repaired Eligible Vehicle.
11. Separate transportation costs for personal effects/goods/ vehicles/boats or other waterborne craft carried in or on the Eligible Vehicle/trailer. These remain the Authorised Driver's responsibility at all times.
12. Any repair costs after the AA have recovered the Eligible Vehicle to the Authorised Driver's home or chosen garage in the UK.
13. Any claim for the cost of a replacement driver where the only driver in the Authorised Driver's party cannot comply with the declaration.
14. Any claim for vehicle collection costs where the overseas garage has not started the necessary repairs to put the Eligible Vehicle back on the road before the Authorised Driver returns home.
15. Anything mentioned as not covered under Section 1, Roadside Assistance and Emergency Repair.
16. The recovery of horses or livestock.
17. Transportation of a vehicle and/or its content to a destination overseas.

18. Any repair costs after the AA has arranged for the Eligible Vehicle to be recovered to the Authorised Drivers home or chosen garage in the UK.
19. Any additional costs incurred for pets.

Notes

- a. When recovery of the Eligible Vehicle is arranged delivery of the vehicle may take 8–14 working days from Western European countries. At busy periods or from farther destinations, recovery may take longer.
- b. Before leaving the Eligible Vehicle for recovery, all valuables should be removed and anything left in the Eligible Vehicle must be safely stowed. There is no duty-free allowance on an unaccompanied vehicle being recovered – any dutiable items must be taken by the Authorised Driver.
- c. The Authorised Driver must leave keys, including those for trailers, caravans or roof boxes in a safe place with the Eligible Vehicle, as Customs may need to unlock and inspect the vehicle(s).
- d. The Suzuki European Assistance Emergency Centre must be notified of any arrangements to collect the Eligible Vehicle.
- e. If the garage dismantles the Eligible Vehicle for repairs, which are then halted for any reason, neither the AA, nor the garage will accept responsibility for any parts returned in the Eligible Vehicle
- f. The luggage in the Eligible Vehicle always remains the Authorised Driver's responsibility and any items left with the vehicle for recovery are left at the Authorised Driver's own risk.
- g. The cost of recovery is limited to the current market value of the Eligible Vehicle (calculated with reference to recognised trade guide books and the UK market). If the AA has any doubt as to whether the Eligible Vehicle will be economic to repair the AA reserves the right to arrange a vehicle inspection.
- h. Any matter excluded from cover under the Suzuki European Assistance General Terms and Conditions, for example, but without limitation, any emergency assistance required following breakdown where the need for such assistance arises in the circumstances specified in clause 4 of Suzuki European Assistance General Terms and Conditions.
- i. The cost of recovery is limited to the current market value of the Eligible Vehicle (calculated with the reference to recognised trade guide books and the UK market). If the AA has any doubt as to whether the Eligible Vehicle will be economic to repair, the AA reserves the right to arrange a vehicle inspection.
- j. If the Eligible Vehicle has been involved in an accident which could be the subject of a claim involving the Authorised Drivers motor insurers, the AA reserves the right to obtain their formal agreement before the AA arranges the recovery of the Eligible Vehicle and to negotiate with them to reclaim a proportion of the costs incurred.
- k. When the Authorised Driver is notified the Eligible Vehicle is ready for collection, the Authorised Driver will have 14 days to collect the Eligible Vehicle. The Authorised Driver will be responsible for any additional storage fees incurred beyond this.
- l. If the garage dismantles the Eligible Vehicle for repairs neither the AA, nor the garage will accept any responsibility for any parts returned in the Vehicle.
- m. While we will seek to return the Eligible Vehicle, the Authorised Driver's Party and nay pet home together by the most suitable means, where this is not practical and possible, the AA cannot be liable for any additional costs incurred.
- n. It is the Authorised Driver's responsibility to ensure that any pets meet the mandatory restrictions of the PETS Travel Scheme at all times.

Claims procedure and conditions

Whilst the AA makes every effort to guarantee costs within the benefits on the Authorised Driver's behalf, there will be occasions when the AA will ask the Authorised Driver to pay the bill locally and reclaim agreed costs when the Authorised Driver returns Home. Claims should be notified within 31 days of the Authorised Driver's return home. To obtain a claim form, please telephone 01256 493580 or email: Overseasclaims@theAA.com

Please quote Suzuki European Assistance and any additional reference the Authorised Driver may have been given by our Operational staff. Please return the completed form urgently to the AA, with original receipts and schedule of insurance.

Note

The AA uses fixed exchange rates for the Euro. Claims for expenses incurred in this currency will be settled at the fixed rate.

Conditions of making a claim

1. The Authorised Driver should notify a claim to the AA within 31 days of the Authorised Driver's return
2. The AA will not accept any alterations to the terms of this insurance, unless a duly authorised official of the AA has confirmed changes in writing.
3. The Authorised Driver must send the AA every legal letter, writ or other legal document, in connection with any claim against the Authorised Driver or another member of the Authorised Driver's Party, immediately on receiving it.
4. If the AA guarantees costs on the Authorised Driver's behalf, the Authorised Driver must repay us on demand for any expenses not covered by Suzuki European Assistance. The AA will not settle any claim for costs the Authorised Driver paid under this cover until the Authorised Driver has repaid them in full.
5. The AA may pay the Authorised Driver the AA's full liability under Suzuki European Assistance at any time, and once the AA has done so, no further payments will be made. The benefit limits for each section and overall claim limit show the maximum payable for one Trip, irrespective of the number of incidents during the Trip.
6. If the Authorised Driver or anyone acting for the Authorised Driver deliberately makes a false claim or statement, the Suzuki European Assistance will become invalid and the AA will not pay any claims.
7. The AA will not cover any payment, which the Authorised Driver normally would have made during the Trip, if nothing had gone wrong.
8. The AA will not cover anything excluded under Suzuki European Assistance General Terms and Conditions.
9. The AA is entitled to take over any rights the Authorised Driver or anyone in the Authorised Driver's Party may have in the defence or settlement of any claim and to take proceedings in the Authorised Driver or any other member of the Authorised Driver's Party's name for its benefit against any other party.
10. If, at the time of making a claim, there is any policy covering the same risk, the AA is entitled to contact the insurer for a contribution.
11. The Authorised Driver must not admit liability or offer or promise to make any payment in admission of liability unless the AA agrees to it in writing.
12. The Authorised Driver must do all that they can to keep claims as low as possible and to prevent loss, theft or damage.

13. In the event of the Authorised Driver's intended method of travel and/or route being unavailable due to an insured cause, the Authorised Driver and the Authorised Driver's Party must take suitable steps to travel by the most reasonable alternative method or route.
14. The AA will be entitled to pursue claims against third parties on its own behalf in the name of and to the same degree as the Authorised Driver would be entitled, in relation to any of its outlays under the cover.

Suzuki UK Assistance General Terms and Conditions

1. Roadside assistance services, which include Roadside Assistance, Home Start, Relay and Relay Plus, are available to a Suzuki vehicle during its period of eligibility of 12 or 24 months after the cover start date of the Eligible Vehicle.
2. Suzuki Assistance is designed to provide emergency breakdown and recovery facilities; their availability does not, of course, remove the need to keep the Eligible Vehicle properly maintained and serviced.
3. If the Eligible Vehicle breaks down, and the Authorised Driver needs help, the Authorised Driver should always contact Suzuki Assistance direct. Suzuki Authorised Repairers and garages approached independently, whether appointed by us or not, will expect payment and subsequently the Authorised Driver will have to settle the bill and the AA will be under no obligation to reimburse the Authorised Driver.
4. Suzuki Assistance is only available to motor vehicles up to a maximum weight limit of 3,500Kg (3.5 tonnes) gross vehicle weight (GVW). There are additional length and width restrictions under Relay service. Maximum vehicle length, 21 feet (6.4m), maximum vehicle width, 8 feet 3 in (2.55m). In addition, caravans or trailers on tow at the time of the breakdown will be recovered along with the Eligible Vehicle (if appropriate) towing them, provided that they fall within the above limits for Relay service. A caravan or trailer of a length of greater than 18 feet (5.5m) but not exceeding 26 feet (8m) will be recovered provided that this can be done safely under tow.
5. The AA reserve the right to refuse to provide or arrange assistance services if the Authorised Driver is not present at the time of the incident and/or unable to be present at the time assistance arrives.
6. Service is subject to availability and may be supplemented by our appointed agents.
The AA will only accept responsibility for the actions of an agent where the agent is acting on our instructions and is providing such assistance to the Authorised Driver that they are entitled to under Suzuki Assistance for the Eligible Vehicle.
An agent appointed by the AA will charge us directly for any service it has provided on the AA's behalf. However, if repairs cannot be carried out either by a patrol or our appointed agent, on the highway or at the Authorised Driver's home address and the Eligible Vehicle has to be recovered to a garage, the Authorised Driver must meet any subsequent repair costs, if not covered by the manufacturer's warranty.
7. Assistance will be provided for the number of people up to the legal seating capacity of the Eligible Vehicle up to a maximum of eight (including the driver) provided that such people were travelling in the Eligible Vehicle at the time of the Breakdown.

8. Suzuki Assistance - what is not covered:
- routine maintenance and running repairs, such as fixing faulty radios, interior light bulbs, heated rear windows;
 - the cost of spare parts, petrol, oil, keys, consumables or other materials and garage or other labour required to repair the Eligible Vehicle or any supplier delivery of call out charges;
 - attendance or any costs or charges connected with the drainage or other removal of fuel, lubricants or other fluids due to the introduction of an inappropriate fluid. It is the Authorised Driver's responsibility to instruct the repairer as to the work required. Any contract for repair will be between the Authorised Driver and the repairer;
 - any additional charges resulting from failure to carry a legal and serviceable spare wheel(s) or tyre(s) in the Eligible Vehicle. The AA will endeavour to arrange assistance from a third party on behalf of the Authorised Driver but will not pay for the cost of the call out or any repair. All other costs are the responsibility of the Authorised Driver;
 - Assistance for eligible Vehicles not displaying the relevant road fund licence;
 - having the Eligible Vehicle stored or guarded in the absence of the driver;
 - providing service to the Eligible Vehicle when it is on private property, for example garage premises. The AA will be entitled to refuse service unless the Suzuki Authorised Repairer can establish to the AA's satisfaction that permission has been given by the relevant owner or occupier;
 - any personal transportation costs except those covered by Relay Plus;
 - any ferry or toll charges levied in relation to the Eligible Vehicle that is being towed or recovered;
 - attendance or payment for lost or stolen keys, or when keys have been locked in the Eligible Vehicle.
 - the provision of service to any persons in excess of the number of seats fitted in the Eligible Vehicle, or to anyone who was not travelling in the Eligible Vehicle at the time of the breakdown;
 - the recovery of vehicles bearing trade plates or which the AA has reason to believe has just been imported or purchased at auction;
 - the transportation of immobilised vehicles where the AA considers this to be part of a commercial activity, for example to, from or for motor dealers or delivery companies;
 - the transportation or arrangement of transportation of any animal (guide dogs or hearing dogs to be transported together with their owner, where the AA will provide transportation unless this is not possible for health and safety reasons). The AA will not recover horses or livestock. If the AA at its absolute discretion agrees to transport any animal then this will be at Your risk. It is Your responsibility to secure any animal being transported or to make alternative arrangements for its transportation.
9. The AA reserves the right to refuse service where it is requested to deal with the same or similar fault or cause of Breakdown to that attended to in regard to the Eligible Vehicle within the preceding 28 days. It is the Authorised Driver's responsibility to make sure that emergency repairs carried out by the AA are, where appropriate, followed as soon as possible by a permanent repair. It is the Authorised Driver's responsibility to, when advised to do so by a patrol, take the Eligible Vehicle to a Suzuki Authorised Repairer to have any temporary repair carried out by Suzuki Assistance made good. If the AA has cause to believe

- that the Authorised Driver is over using assistance in relation to a fault or cause of breakdown, which the AA has attended on previous occasions, it will report the matter to Suzuki, who will make a decision as to whether future assistance will be provided until such time as a permanent repair is carried out.
10. The AA has the right, at any time to refuse or cancel service to, or to refuse to arrange service for, any person otherwise entitled to assistance for the Eligible Vehicle where it reasonably considers that they or anyone accompanying any such person:
 - a) is behaving or has behaved in a threatening or abusive manner to the AA's employees, patrols or agents, or to any third party contractor;
 - b) has falsely represented that they are entitled to services to which they are not entitled; or
 - c) has assisted another person in accessing our services to which they are not entitled; or
 - d) owes the AA money with respect to any services, spare parts or other matters provided by the AA or by a third party on our instruction.
 - e) the Authorised Driver is not with the eligible vehicle at the time of breakdown at the time assistance arrives.
 - f) if in the AA's resource opinion the eligible vehicle was immediately before the breakdown, dangerous, overladen, unroadworthy or could not otherwise have been lawfully used on the public highway.
 - g) in the AA's reasonable opinion, the giving of service would involve a breach of the law; or
 - h) in the AA's reasonable opinion there has been an unreasonable delay in reporting the breakdown.
 11. The AA is not under any obligation to transport or to arrange the transport of any animal. If the AA or its agents, at their discretion, agree to transport an animal, then any such transport will be at the Authorised Driver's own risk. It is the Authorised Driver's responsibility to secure any animal being transported or to make alternative arrangements for its transportation.
 12. If the AA considers that a locksmith, body-glass or tyre specialist is needed, the AA will endeavour to arrange their help on behalf of the Authorised Driver. The AA, however, will not pay for their services and the contract for repair will be between the Authorised Driver and the repairer. Further, if use of a locksmith or other specialist would, in our opinion, mobilise the Eligible Vehicle, no further service will be available for the Breakdown in question.
 13. The Authorised Driver will be required to pay for any consumables that the AA or AA's appointed agents provide.
 14. If specialist equipment (not normally carried by patrols) is in the AA's view, required to provide assistance when an Eligible Vehicle has left the highway, or is in a ditch, or is standing on soft ground, sand or shingle or is stuck in water or snow, or which has been immobilised by the removal of its wheels, the AA will arrange recovery but at the Authorised Driver's cost. Once the Eligible Vehicle has been recovered to a suitable location, normal service will be provided in keeping with Suzuki Assistance.
 15. The AA will not provide service where this is requested in regard to the Eligible Vehicle which requires service by reason of, or immediately following, participation in any racing, rallying, trials or time-trials, auto test or other motor sports event ("Motor Sports Event"). However, for the avoidance of doubt, the AA does not consider the following activities to be Motor Sports Events, and thus will provide service to a participating Eligible Vehicle if properly requested:

- a) “concours d’élégance” events;
 - b) track test days for road-legal vehicles;
 - c) rallies held exclusively on open public highways where participants are required to comply with all operative speed limits.
16. The AA’s patrols are trained and equipped to carry out emergency roadside repairs and are not in a position, and should not be expected, to comment on the general safety or roadworthiness of an Eligible Vehicle after a breakdown or emergency repair. In addition, completion of an emergency repair cannot be taken to signify, or in any way guarantee, the general roadworthiness of the Eligible Vehicle concerned. However, the AA reserves the right to refuse service where, in the opinion of the patrol or garage agent, the Eligible Vehicle concerned was, immediately before the incident, dangerous or un-roadworthy or the giving of service would involve any breach of the law (including, but not restricted to, any breach of road traffic regulations or health and safety provisions), or there has been an unreasonable delay in reporting the Breakdown.
 17. It is the Authorised Driver’s responsibility to ensure that any temporary repairs carried out by us to mobilise the Eligible Vehicle are followed as soon as is possible by a permanent repair. Please refer to the terms of the vehicle warranty with respect to the carrying out of repairs by Suzuki Authorised Repairers.
 18. The AA are entitled to refuse service in certain circumstances: for example, should the vehicle be ineligible for Suzuki Assistance. Attendance will also be declined in non-emergency situations where the Eligible Vehicle is still mobile and the journey can be continued both legally and in safety. In such circumstances, the Suzuki Assistance Incident Manager, where appropriate, would recommend an alternative course of action.
 19. The AA aims to provide emergency breakdown assistance. Our patrols will not carry out vehicle servicing or vehicle reassembly, for example, where they are required as a result of neglect and unsuccessful work on the Eligible Vehicle other than on the part of us or our agents.
 20. The AA reserve the right to vary the terms and conditions of service during the period of Suzuki Assistance on the giving of reasonable notice where the AA reasonably consider it necessary to do so in order for the services supplied to comply with any changes in the law or regulations applicable thereto.
 21. Where the Authorised Driver has been refused service as a result of the Eligible Vehicle being deemed dangerous, over laden or un-roadworthy, the AA will endeavour to arrange assistance on behalf of the Authorised Driver but will not pay for this service.
 22. While the AA seeks to provide Suzuki Assistance at all times, the AA’s resources are finite and this may not always be possible. The AA shall not be liable for service failures where the AA is faced with circumstances outside our reasonable control. Events which might constitute circumstances outside our reasonable control include (but are not limited to) Acts of God, outbreak of hostilities, riot, civil disturbance, acts of terrorism, acts of government or authority (including the refusal or revocation of any license or consent), fire, subsidence, explosion, flood, snow, fog or other bad weather conditions, vehicle, equipment or systems failures, shortages of fuel or other necessary supplies, failure of telecommunications lines or systems, default of suppliers or sub-contractors, theft, malicious damage, strike, lock out or industrial action of any kind.

23. The AA shall not, in any event, and to the extent permitted by law, have any responsibility for any increased costs or expenses, for any loss of profit, business, contracts, revenue or anticipated savings or for any special or indirect losses incurred as a result of or in connection with any service, whether resulting from tort (including negligence or breach of statutory duty), breach of agreement or otherwise. For the avoidance of doubt, nothing in this clause or these Terms and Conditions shall exclude or restrict the AA's liability for negligence resulting in death or personal injury.
24. Failure to enforce or non-reliance upon any of these terms and conditions by the AA on a particular occasion or occasions will not prevent the AA from subsequently relying on or enforcing them.
25. The headings used in these terms and conditions are for convenience only and shall not affect the interpretation of their contents.
26. None of the terms and conditions, or benefits, of, or under, Suzuki Assistance is enforceable by anyone other than the Authorised Driver. For the avoidance of doubt, and without limitation to the generality of the foregoing, any rights under The Contracts (Rights of Third Parties) Act 1999, or any replacement thereof, are hereby excluded.
27. Nothing in these terms and conditions shall affect the statutory rights of the Authorised Driver as a consumer.
28. These terms and conditions are governed and, shall be interpreted in accordance with the laws of England and Wales. The EEA state for the purposes of these terms and conditions is the UK. These terms and conditions and all correspondence relating to them shall be in English.

Suzuki European Assistance General Terms and Conditions

2. The AA, its employees or agents, shall not be liable to the Authorised Driver for any loss or damage caused by it, our employees or agents where, and to the extent that:
 - a. there is no breach of a legal duty owed to the Authorised Driver or the Authorised Driver's Party by the AA or the AA's employees or agents;
 - b. such loss or damage is not a reasonably foreseeable result of such breach;

6. If the AA does not enforce or rely upon any of these terms and conditions on a particular occasion or occasions, this does not prevent it from subsequently relying on or enforcing them.
7. The headings used in these terms and conditions are for convenience only and shall not affect the interpretation of its contents.
8. These terms and conditions are governed and, shall be interpreted in accordance with the laws of England and Wales. The EEA state for the purposes of these terms and conditions is the UK. These terms and conditions and all correspondence relating to them shall be in English.

11. Nothing in these terms and conditions shall affect the statutory rights of the Authorised Driver as a consumer.
12. The AA will not cover any additional costs incurred as a consequence of an animal travelling with the Authorised Driver or the Authorised Driver's Party.
